## RESPONSE

Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Sir:

Applicant hereby responds to the Official Action of November 4, 2004 as follows.

In response to the Requirement for an Election of Species, Applicant hereby elects species I (comprising the apparatus set forth in Fig. 8) in which the preset conversion rule is defined by the so-called first method, as described on page 10, lines 3-7.

Applicant hereby states that claims 1-3, 8-16, 21-28, 33-40, 45-52, 58-64, and 68-70 read on the elected species of Fig. 8 performing the preset conversion rule following the first method.

The Response filed July 16, 2004 contained a typographical error and incorrectly identified claims 38-64 as reading on the elected species.

As noted by the examiner, that statement should have identified claims 58-64 as being among the claims elected. That typographical error is corrected hereby.

An early and favorable examination on the merits is earnestly solicited.

Respectfully Submitted,

Cooper & Dunham · LLP
